From Our Pastor

DSBC Worship Services to Go Live

We are excited that our media ministry will go live Sunday, November 3. Our services will be live streamed on the internet via FaceBook and YouTube as well as recorded on DVD. This will help us spread the word and worship of God all over the world. This will also allow our shut-ins to be a part of our church services. But we realize many of our shut-ins do not have the capability to view our services. If you are one of our shut-ins and would like to participate in this ministry, please call the church office and let us know. We can mail you a video copy of the services to watch each week on your DVD player. If you do not have a DVD player, please let us know that too and we can help meet that need as well. I want to express special appreciation to Brian Price and Bobby Miller for bringing the vision of this ministry to fulfillment.

THANK YOU

Our first 2020 summer mission trip fundraiser was a big success! We had lots of great food and a big crowd to enjoy it all. Our youth group would like to thank all the parents who provided the food and all those who so generously donated. We raised over \$1000 which is a great start!
